

EXTENDED CARE OPTIONS

2017 - 2018 SCHOOL YEAR

If your child attends morning preschool or 4K, there are 3 extended care options:

Early Morning | 7:45 - 8:45

Some children begin their day at Orchard Ridge Nursery School before their morning class. These children are greeted in the gym at 7:45, 8:00 or 8:15. The early morning teacher offers a variety of activities for the children to choose from including games and sports that are more conducive to smaller groups. They also have access to small manipulatives, simple art activities and have a story time. The early morning teacher will escort the children to their classroom at the appropriate time.

Lunch Bunch | 11:30 - 12:45

Held in the gym; children eat cold lunches brought from home (peanut and tree-nut free). A teacher and a parent helper assist the children during lunch, supervise play, and read stories to the children before they are picked up at 12:45. This program allows children to develop a variety of skills: conversing with a group, approaching adults for assistance, unpacking a lunch, learning to eat with a group, etc.

Explorers | 11:30 - 5:00 (pick up at 3:00, 3:30, 4:00, 4:30, or 5:00)

Explorers is offered to provide your child with additional opportunities for exploring and engaging in activities independently and with peers. Each session will include time to enjoy a cold lunch brought from home (peanut and tree nut free), literature and literature linked activities, choice time, rest time, and time on the playground. Depending on the length of your child's Explorer session, additional activities may include snack time, gym time, cooperative game opportunities, and an additional choice time. Here are some examples of activities:

After reading Little Blue and Little Yellow and Mouse Paint, books presenting the concept of color mixing, the linked activities may include mixing paints to create new colors, exploring the colors of combined rainbow blocks, mixing colored water in test tubes using pipettes, and mixing two colors of play dough to create a new color.

After reading Everybody Needs a Rock, the linked activities may include exploring a collection of rocks, noting and discussing the various attributes and completing a preprinted book, Many Different Rocks, with collage materials that illustrate the attributes presented in the book: rough, sparkly, and colorful.

Hot Lunch Week will take place a couple times during the school year. Parents will get a break from making lunch for their children. The hot lunch menu will be planned with the children.

If your child attends afternoon preschool or 4K, there are 2 extended care options:

Lunch Bunch | 11:30 - 12:45

Held in the gym; children eat cold lunches brought from home (peanut and tree-nut free). A teacher and a parent helper assist the children during lunch, supervise play, and read stories to the children before taking them to their afternoon classroom.

After School | 3:30 - 5:00 (*pick up at 4:00, 4:30, or 5:00*)

After their afternoon class ends, children join the Explorers class. The Explorers teacher will provide activities, tables games, or have group reading time.
